Dear Judge Swain:

I am writing to request adjudication of my formerly rejected claim. The date of my documentation submission to support my claim was delayed due to 1) the restrictive window between date of notification and required submission for response, and 2) coincidental delay in personal mail receipt due my having been out of town.

Morgan Stanley, with whom the Pfizer stock was held, may initiate special legal prompt process to retrieve records to validate purchase of two lots of Pfizer stock, 75 and 125 shares, on June 21, 2000.

The settlement claims process, in this case, requires proof from files dated beyond the statute of limitations challenging efforts by shareholders to settle any dispute.

Please review documentation provided for the above claim. Submitted Morgan Stanley statements document purchase June 21, 2000.

I look forward to an equitable solution.

Sincerely yours,

  
Vanessa Noble Gang
